

HOUSE OF WONKA

# A B O U T

## **Why settle for one designer, when you can have the whole house?**

At House of Wonka, your brand gets a crew - creative director, designers, strategists and daydreamers

We build brands with bite, brains and boldness, then set the stage for you to shine

One creative house, every role

# EXPERTISE

We seamlessly collaborate with your in-house team, multi-task to meet deadlines and adapt to your changing needs

## **Visual Identity**

A combination of graphic elements that represent a brand's identity, such as logo, color palette, typography, stationery and other design elements

## **Social Media**

Creating templates & visuals for social media platforms such as Instagram, Facebook, LinkedIn & more

## **Advertising**

Design of display ads, social media ads, print ads, outdoor ads, event ads & email marketing templates, with a sole purpose to persuade users to buy products or services

## **Print Media & Publication**

Encompassing the design of brochures, catalogs, magazines, e-books, books, white papers, reports, newsletters and more

## **Packaging**

Designing product packaging to make it stand out from competitors and appeal to customers both in stores and online

## **UI/UX**

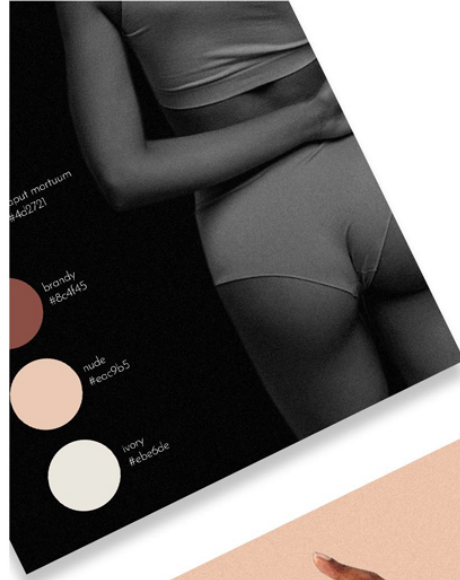

User interface & user experience design for websites, mobile applications & more

# W O R K
